ABOUT THE **NORTHERN TERRITORY TRAVELLING FILM FESTIVAL**

Northern Territory Travelling Film Festival (NTTFF) celebrates and showcases the outstanding short film, television and video productions from the NT, capturing the stories, culture and landscape of our iconic region and the people that call it home. In 2018 and 19, the festival screened in dozens of locations across the NT, providing opportunities for tourism operators to showcase a film experience to mainstream national and international audiences that provided insight into our unique place, the Northern Territory.

Each year, the program will be on the road between March and early June, with an outdoor cinema popping up under the stars, amongst popular hot spots, iconic landscapes, tourism events and in remote Aboriginal communities. The tour will commence in Alice Springs Region and work it's way up to the top end of the NT.

INTERESTED IN PRESENTING AN NTTFF TOURIST EVENT?

NTTFF is an outdoor cinema which partners with suitable tourist venues along our touring track to co-present a Tourist Event. If you have the venue, we bring the cinema and films.

NTTFF TOURING PERSONNEL

NTTFF is managed and produced by local NT creative company ACCOMPLICE. There will be two NTTFF staff delivering the tour across the NT, comprised of the Tour Producer and Production Manager.
